*Reflection questions/Journaling:*

1. Take a personal inventory of your own spiritual practices. Consider your church attendance, group or personal Bible study, prayer life, etc. How do you feel about the season you are in? If you are discontent, where do you want to be?

2. What does family worship mean to you? What have you tried with your family? What has gone well? What hasn't gone well?

3. What is your family's experience on Sunday mornings? What are some thoughts or feelings you have when worshipping with your children?
