

Children's Worship & Nursery

One of the missions of the Kirk is to partner with parents in guiding their children to become lifelong worshippers of our great God. We love having kids of any age join us in the worship service. We also provide options to families to help engage young children wherever they are developmentally. The Nursery, which is located in the east hallway near the Chapel, welcomes children ages 0-3 for the duration of the service. Children ages 3 years–1st grade are welcome to attend Children's Worship during the sermon. Kids attending Children's Worship will exit after the scripture reading, **meet in the Chapel**, and return after the sermon.

V I S I O N

Why do we exist?

To know God and make Him known
